Why SAVAIMS?

1. SHARPEX : A unique programme designed and developed by SAVAIMS.

SHARPEX is an acronym derived from share your professional Experience to help Sharpen our Axe..., a platform to expand the bandwidth of management students encompassing real-life situations.

- SHARPEX is a learning platform for our students to know about the "DO FACTORS", which are critical to survival in the corporate world.
- SAVAIMS brings executive speakers on campus - an impressive roster from industry mavericks to distinguished corporate titans.
- Any business education is incomplete without students knowing how to apply classroom learning to the practical situations. The experience shared by the industry professionals at SHARPEX forum enabled us to connect theory to practice.
- Multimedia Presentations by students inculcates the habit of Communicating freely and fearlessly.
- Case Studies and Simulations resulting from our Tie-up with IIM-Ahmedabad.

A direct correlation between SHARPEX and Prizes won by our students in all Management competitions.
